Job Vacancy
Production Operative

Introduction

SEERS Medical Ltd is the leading UK manufacturer of Medical Couches and Ergonomic Seating. Products are designed and manufactured at our headquarters in Debenham, Suffolk.

We are recruiting a Production Operative to join our team. The successful applicant will be responsible for assembling products and ensuring quality standards are met throughout the production process. This is an excellent opportunity to join a growing company with opportunities for further cross training in other departments within production.

Key Responsibilities

- Assemble products according to specifications and quality standards.
- Operate various power tools and hand tools safely and efficiently.
- Maintain a clean and organised work area, adhering to health and safety regulations.

Experience, Skills & Qualifications

- Previous production experience within a manufacturing environment (not food)
- Mechanical knowledge with the ability to use power tools and hand tools desirable.
- Excellent attention to detail and commitment to quality assurance.
- Ability to work independently as well as part of a team in a fast-paced environment.
- Willingness to learn new skills.

25 days annual leave entitlement plus bank holidays.

This is a full-time role based on 37.5 hours per week Monday-Friday, 8am - 4pm. Salary from £ c£25K.

We are committed to ensuring that all job applicants and members of staff are treated equally, without discrimination because of gender, sexual orientation, marital or civil partner status, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age.

Applicants must be able to reliably commute to our location every day.
