SEERS Anti-Bacterial Wipes

Alcohol FREE

Anti Bacterial

The perfect solution for cleaning **SEERS** Examination Couches. Each pack contains 200 Wipes and uses STERiZAR® technology, killing 99.9999% of bacteria. The wipes are alcohol free, therefore they are non-irritable to skin, yet as effective as some alcohol wipes.

Models

SW0200 Pack of 200 Anti-Bacterial Cleaning Wipes

SW0200 Anti-bacterial wipes

Product Features

- Alcohol-free to prevent upholstery vinyl cracking
- Specifically designed for cleaning examination & treatment couches
- Uses STERiZAR® technology, killing 99.9999% of bacteria including MRSA, E-Coli and Norovirus
- Suitable for a wide range of non-invasive equipment
- Quick drying for minimal downtime when cleaning between patients
- Prevents framework rusting due to low level of exposure to moisture
- Reduces possibility of damaging your treatment couch as moisture will not seep into hinges or pivot areas – high risk areas of rusting and ceasing
- Less flammable to due absence of alcohol
- Non-irritable to skin
- Effective for up to 30 days on hard surfaces
- Equally effective as some alcohol wipes
- Wipes can be used to clean any part of a **SEERS** Couch
